Call for Entries:

The International Compost Awareness Week Committee of the Composting Council Research & Education Foundation (CCREF) invites YOU to get involved in ICAW 2018. We're looking for anyone interested in participating in our 16th Annual Poster Contest. The winning poster will be used to promote International Compost Awareness Week, May 6 - 12, 2018.

POSTER THEME: Compost! Building a Better Future

The contest runs from September 1 until November 6, 2017 and is open to anyone, third grade and up, who wishes to share their artistic creativity to promote this year's theme. The winning poster will serve as the 2018 International Compost Awareness Week visual display. We invite municipal, facility, or state agency representatives and industry professionals to join in the fun, along with students, youth groups, commercial composters, green industry businesses, gardeners, environmentalists, **Everyone!** Whether or not you have celebrated or been involved in ICAW in the past, we want you to participate this year.

It's easy! Here's how it works:

The Poster Contest winner will have his/her poster reproduced and distributed nationwide. It will be the official 2018 International Compost Awareness Week poster and featured on the Composting Council Research & Education Foundation's website. The winning "poster artist" will have his/her name posted

CCREF • ICAW 2018 Poster Contest •

www.compostfoundation.org info@compostfoundation.org

on the CCREF website and will be included on all print material and in any CCREF press releases in association with our Annual ICAW Celebration.

The successful poster winner will receive a \$500 prize. The three contest divisions are: grades 3-7, grades 8-12, and college - adult. The best rated from each division will be considered in the final vote for the winning design.

The contest begins on September 1, 2017 and continues until November 6, 2017. The finalists will be announced on the CCREF's website with online voting available.

This is YOUR opportunity to display your creative talent and show your belief in composting and in the benefits of using compost!

Official Guidelines:

1. Fee: Free!
2. Entries per person: Entries are limited to ONE SUBMISSION PER ARTIST.
3. Submitting your entry: You must complete the entry form application and checklist, and submit your poster via email to: info@compostfoundation.org with "Poster Contest - Name of artist" in the subject line. A short paragraph on why you chose to participate in ICAW 2018 and explanation of your poster concept must be included with your email submission.
4. **Design: The poster must include the words International Compost Awareness Week May 6 – 12, 2018 along with the poster theme – Compost! Building a Better Future. Please make sure everything can be easily read from a distance. Failure to follow this instruction will disqualify your poster!**
5. The concept and images of the poster should be based on "compost use" or address the "benefits of recycling organic residuals." We will especially look for images that demonstrate that organic materials are a key component to healthy soils and for keeping soils and the environment healthy in the future. When creating your poster, please remember that the winning poster will be reproduced and distributed nationally. The Composting Council Research & Education Foundation's logo, along with sponsor logos, will be added to the poster below the winning image.
6. Only ORIGINAL artwork will be considered. Please check your spelling; misspelling the theme will disqualify your poster!

7. Posters that include personal or corporate information or product endorsements will be disqualified.
8. Copyrighted Images/Subjects: Copyrighted, trademarked products, packaging, brand names and advertisements may not be used within the poster. Original signed release forms are required for persons, whether public or private citizens, who are photographed and appear on the poster. Release forms can be as simple as a paragraph stating “permission” from “subjects” with a printed list of names of the individuals appearing and signed by the individuals. If the subject is under 18 the release form must be signed by a parent or guardian. *This rule will be strictly enforced.*
9. Electronic Resolution and Format: Artwork is to be submitted in electronic format with a resolution of 300 dpi and in jpg format. (Note: *Poster Winner* will be requested to resubmit poster at higher resolution for reproduction purposes.) Poster should measure no larger than **12” wide X 17” high and be vertical (portrait) in orientation**.
10. Judging and winner selection: All entries will be reviewed by the judges and the best three identified in each division. The divisions are
 - Grades 3 to 7
 - Grades 8 to 12
 - College students and adults

The competition will be judged on the following criteria (40 points maximum):

- *Marketability of poster to multiple audiences* -- 10 points.
- *Creative and original artwork and idea* -- 10 points. •
- *Attractiveness in terms of design and neatness of layout*
--- 10 points.
- *Overall Impact, all graphics are related to the topic and make it easier to understand the poster theme* – 10 points.

The three top-rated posters in each division will be put to an online vote for USCC members and CCREF supporters; the overall winner will receive a \$500 prize.

11. Final poster: The Composting Council Research & Education Foundation’s ICAW Committee reserves the right to alter the final poster design or to reject all submissions for the final poster design. All submissions become the property of the Composting Council Research & Education Foundation and may be used for commercial purposes. No entries will be returned.
12. Deadline: November 6, 2017, 12 midnight EST
